

Europass Curriculum Vitae

Personal information

First name / Surname **Enrica De Cian**
Address Cannaregio,873/b-30121 Venice, Italy
Mobile +39 340 3104556
E-mail enrica.decian@unive.it
Nationality Italian

National Scientific Habilitation Associate professor, full professor: 13/A2 (Politica Economica) 2014-2020

Work experience

Dates 2017 – present
Occupation or position held Associate professor
Name and address of employer Ca' Foscari University of Venice, Italy

Dates 2018 – present
Occupation or position held Research Scientist
Name and address of employer RFF-CMCC European Institute on Economics and the Environment.

Dates 2008 – present
Occupation or position held Research Scientist, Economic analysis of Climate Impacts and Policy Division
Name and address of employer Fondazione CMCC - Centro Euro-Mediterraneo sui Cambiamenti Climatici - CMCC (Lecce, Italy)

Dates 2006– 2017
Occupation or position held Senior Researcher, Climate Change and Sustainable Development Unit
Name and address of employer Fondazione Eni Enrico Mattei – FEEM (Venice, Italy)

Dates 2012– October 2014
Occupation or position held Marie Skłodowska-Curie International Outgoing Fellowship
Name and address of employer Fondazione Eni Enrico Mattei – FEEM (Venice, Italy)

Dates October 2012 – October 2013
Occupation or position held Marie Skłodowska-Curie International Outgoing Fellowship
Name and address of employer Boston University, Department of Earth and Environment (MA, USA)

Dates January 2012 – March 2012
Occupation or position held Collaboration within the SEEK project ClimTech: diffusion of Climate-Friendly Technologies. The Role of Intellectual Property Rights, Human Capital and Environmental Policy
Name and address of employer ZEW (Mannheim, Germany)

Dates January 2004 – June 2004
Occupation or position held Research assistant and stagier
Main activities and responsibilities Research area: energy, climate change and sustainable development
Name and address of employer Centre for European Policy Studies-CEPS (Brussels, Belgium) Leonardo program

Education and training

Dates	29th September, 2008
Title of qualification awarded	Ph.D. in Economics and Organization – Dissertation Supervisor: C. Carraro
Principal subjects/occupational skills covered	Endogenous Technical Change and Climate Policy. Econometric Analysis and Stabilization Scenarios
Name and type of organisation providing education and training	Ca' Foscari University of Venice, Italy
Dates	September 2005 – June 2006
Principal subjects/occupational skills covered	Visiting student and researcher. Courses attended: International trade, economic growth, macroeconomics, public economics, dynamic optimization, environmental economics, energy and technology policy
Name and type of organisation providing education and training	Massachusetts Institute of Technology (MIT), Joint Programme on the Policy and the Science of Climate Change (JP), Centre for Environment and Energy Economics (CCEPR), Cambridge (MA, USA)
Dates	23rd November, 2003
Title of qualification awarded	Laurea (BSc, 4 years) Economics (Economia e Commercio) – Dissertation supervisor: C. Carraro
Principal subjects/occupational skills covered	International Trade and Climate Change: Comparing Trade Sanctions and No Regret Energy Policies. Summa cum laude.
Name and type of organisation providing education and training	Ca' Foscari University of Venice (Italy)
Dates	September 2001 – June 2002
Principal subjects/occupational skills covered	Socrates-Erasmus student Courses attended: Econometrics, international trade, development economics, international political economy, monetary economics
Name and type of organisation providing education and training	Faculty of Economics, University of Copenhagen (Denmark)

Teaching experience as lecturer

2014– present	“Global Climate Change: Science, Economics and Policy” (40 hours), undergraduate, Boston University Study Abroad Venice, Environmental Program Studies
2008– present	“Methods and Tools for the Analysis of Climate Change Impacts and Policies” (12 hours), PhD Program in Science and Management of Climate change, Ca' Foscari University of Venice
2015	“Globalization, environment and sustainable development in coastal areas” (8 hours), Environmental Management in a Changing World: Coping with Sea Level Rise Summer School, Nicholas School of the Environment, Duke University, and Venice International University
2009–2011	“Environmental Policy” (20 hours), undergraduate, Ca' Foscari University of Venice
2009–2011	“Climate Change Economics” (40 hours), undergraduate, Ca' Foscari University of Venice

Teaching experience as teaching assistant

2007–2008	“International Economics” (10 hours), undergraduate, Ca' Foscari University of Venice
2006–2007	“Topics in Macroeconomics” (10 hours), PhD, Ca' Foscari University of Venice
2006–2007	“Political Economy” (10 hours) and “Microeconomics” (10 hours), undergraduate, Ca' Foscari University of Venice

Supervision of Master students

2018	Tutor Filippo Pavanello. Master thesis in Economics and Finance “Does climate influence households' thermal comfort decisions?”. Summa cum Laude
2014	Co-tutor of Alessandra Carta. Master's thesis: “Carbon sequestration from peat land in the Venice area”, University of Padua
2010	Tutor of Licia Ferranna. Master's thesis: “Technical Change in Economic Models for Climate Change”, Ca' Foscari University of Venice. The thesis was awarded a prize for the best dissertation in 2012 by the Fondazione Manlio Resta, http://www.fondazioneresta.it/Premiodilaurea2012/tabid/492/language/it-IT/Default.aspx

Supervision of PhD students

- 2018-present Co-tutor of Francesco Colelli, PhD Candidate, PhD program Science and Management of Climate Change, Ca' Foscari University of Venice
- 2017-present Co-tutor of Paola Vesco, PhD Candidate, PhD program Science and Management of Climate Change, Ca' Foscari University of Venice
- 2014-2016 Co-tutor of Malcolm Mistry. PhD's thesis: "Impacts of Climate Variability on Global Crop Yields using a Statistical approach", PhD program Science and Management of Climate Change, Ca' Foscari University of Venice
- 2014-2015 Co-tutor of Fabio Farinosi. PhD's thesis: "Global changes and water: challenges for sustainable development", PhD program Science and Management of Climate Change, Ca' Foscari University of Venice

Funding and Awards

- 2013 FEEM Research Paper Award for the most influential paper as measured by the AIS (Article Influence Score)
- 2012 Marie Skłodowska-Curie International Outgoing Fellowship "DYNAMIC feedbacks of climate impacts on current Adaptation and Mitigation Investment Choice". Outgoing host: Prof. Ian Sue Wing, Boston University. Returning host: Prof. Francesco Bosello, Fondazione Eni Enrico Mattei, EU FP7 funds.
- 2005 International Exchange Fellowship, Massachusetts Institute of Technology (MIT), the Joint Program on the Policy and the Science of Climate Change (JP) and the Centre for Environment and Energy Economics (CCEPR), Cambridge (USA)
- 2004 PhD Fellowship, Ca' Foscari University of Venice, Venice, Italy
- 2004 FEEM dissertation prize, Milan, Italy
- 2003 Leonardo EU Scholarship, Center for European Policy Studies, Brussels, 01/2004–04/2004
- 2001 Erasmus EU Scholarship, University of Copenhagen, Denmark, 09/2001 – 06/2002

Fundraising – Funded Proposals

- 2017 ERC Starting Grant ENERGYA. Role: Principal investigator. Budget: 1,495,000Euro.
- 2017 COACCH, H2020. Role: Deputy coordinator. Budget: 4,999,000Euro.
- 2016 COP21RIPPLES, H2020. Role: team leader.
- 2015 PECE Fuelling clean energy transitions: The political economy of energy innovation, UNU-WIDER. Role: principal investigator.
- 2013 PATHWAYS, EU FP7 collaborative project, <http://www.pathways-project.eu/>. Role: team member.
- 2012 DYNAMIC feedbacks of climate impacts on current Adaptation and Mitigation Investment Choice, EU FP7 Marie Curie Project, <http://www.feem.it/getpage.aspx?id=5139&sez=Research&padre=18&sub=70&idsub=86&pj=Past>. Role: principal investigator.
- 2011 ClimTech Climate-Friendly Technologies, The Role of Intellectual Property Rights, Human Capital and Environmental Policy. SEEK project, <http://www.feem.it/getpage.aspx?id=4013&sez=Research&padre=18&sub=70&idsub=86&pj=Past>. Role: team member.
- 2010 AMPERE Assessment of Climate Change Mitigation Pathways and Evaluation of the Robustness of Mitigation Cost Estimates. Role: team member.
- 2009 PASHMINA PARadigm SHifts Modelling and INnovative Approaches. EU FP7 collaborative project. Role: team member.
