

BERGER Loïc

Lille Economics and Management (LEM)
3 rue de la digue
59000 Lille, France
Phone: +33 320 545 892
E-mail: loic.berger@cnrs.fr
Web: <https://sites.google.com/site/loicbberger/>

CURRENT POSITIONS

CNRS Researcher, Lille Economics and Management (UMR 9221), 2019–present
Full Professor, Department of Economics and Quantitative Methods, IÉSEG School of Management, 2021–present
Director of iRisk, Research Center on Risk and Uncertainty, 2020–present

OTHER APPOINTMENTS

Associate Researcher RFF-CMCC European Institute on Economics and the Environment (EIEE), and Euro-Mediterranean Center on Climate Change (CMCC), 2018–present
Associate Researcher, European Center for Advanced Research in Economics and Statistics (ECARES), 2016–present

PAST POSITIONS / EXPERIENCE

Associate Researcher, Bocconi University, 2016–2019
Member of the RISICO team (ERC StG) lead by Prof. Bosetti
Associate Professor, IÉSEG School of Management, 2018–2021
Assistant Professor, IÉSEG School of Management and LEM, 2016–2018
Associate Researcher Fondazione Eni Enrico Mattei (FEEM), 2015–2018
Environmental Economics Expert, Belgian Federal Planning Bureau, 2015–2016
Expert in environmental and macro-economics, Prime Minister Services and Ministry of Economic Affairs of the Belgian government
Researcher (post-doctoral position), FEEM and CMCC, 2013–2015
Research within the FP7 project: ADVANCE (Advanced model development and validation for the improved analysis of costs and impacts of mitigation policies)
FNRS Research Fellow, Belgian National Science Research Fund, 2008–2012

EDUCATION

Habilitation à Diriger des Recherches (HDR) – Université de Lille, France, 2021
Ph.D in Economics – Toulouse School of Economics (TSE), Université Toulouse 1 Capitole (UT1), France, and ECARES, Université libre de Bruxelles (ULB), Belgium, *Summa Cum Laude*, received 2012

Title: Essays on the Economics of Risk and Uncertainty

Committee: Christian Gollier (co-supervisor), Philippe Weil (co-supervisor), Louis Eeckhoudt, Jean-Marc Tallon, Bram De Rock, David Alary

Doctoral training programme – ECARES, ULB, and TSE, UT1, received 2009

M.Sc. in Economics – ECARES, ULB, *Magna Cum Laude*, received 2008

MA in Economics – ULB, *Summa Cum Laude*, received 2007

Final year dissertation: Social Security and Risk Sharing

BA in Economics – ULB, received 2005

Miscellaneous

Sciences-Po certificate, “Politics and Economics of International Energy”, MOOC 2015

World Bank Institute Certificate, “Introduction to disaster risk management”, and “Emissions trading systems: using markets to promote low emissions development”, e-courses 2014

PRIZES AND GRANTS

Prizes

Early Career Scholarly Achievement Award, *The American Risk and Insurance Association*, 2022

Paper selected as the Editor’s choice, “Model uncertainty in climate change economics: A review and proposed framework for future research”, *Environmental and Resource Economics*, 2020

Finalist of the INFORMS Decision-Analysis Society Publication Award of 2019, (best publication in decision analysis of the year 2017 for the paper “Managing the Risks of Catastrophic Climate Change under Model Uncertainty Aversion”)

Best Paper Presented Award 2014, FEEM, for the presentation “Managing the Risks of Catastrophic Climate Change under Model Uncertainty Aversion”

Grants / Research Projects

As Principal Investigator

CAPABLE, “Climate Policy Acceptability Economic Framework”, (European Union – Horizon Europe), Collaborative project, *Coordinator:* CMCC, 2023–2025. EUR: 3,000,000

iRisk Worskhop, “Decision-making under risk and uncertainty”, (AXA Research Fund, ValorIS Region Hauts-de-France, UCL, LEM), 2022. EUR: 20,000

LEM Research grants, Lille Economie and Management – 2019-2023, EUR: 4,000

INDUCED, “Integrating Deep Uncertainty in Climate Change Modelling”, (ANR JCJC– French National Research Agency), 2018–2022. EUR: 248,000

Long stay travel and research grant, Ministry of Education and Scientific Research, Federation Wallonia-Brussels – 2012 (Apr-Sept), EUR: 4,000

Doctoral scholarship, National Science Research Fund (FRS–FNRS) – 2008-2012, EUR: 100,000

As member

ENDURA, “Environmental Decisions under Risk and Ambiguity”, (ANR JCJC– French National Research Agency), *PI:* Uyanga Turmunkh, 2021–2024. EUR: 218,000

CLAM, “Climate Ambiguity”, (STaRS – Region Hauts-de-France), *PI*: Ilke Aydogan, 2021–2023. EUR: 120,000

IBEBACC, “Identifying Behavioral BARRiers to tackling Climate Change: Myopia, Uncertainty or Collective Action?”, (I-SITE ULNE – Region Hauts-de-France), *PI*: Thomas Epper, 2021–2023. EUR: 95,000

RISICO, “Risk and Uncertainty in Developing and Implementing Climate change Policies”, (ERC stG – European Research Council), *PI*: Valentina Bosetti, 2014–2019. EUR: 1,146,000

ADVANCE, “Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies”, (European Union FP7), Collaborative project, *Coordinator*: Potsdam Institute for Climate Impact Research (PIK), 2013–2016. EUR: 5,700,000

CLIMACT, “Macroeconomic impacts of the low carbon transition in Belgium”, (Climate Change service of the DG Environment of the Federal Public Service Health, Food Chain Safety, and Environment, Belgium), *Coordinator*: Federal Planning Bureau, 2013–2016.

SERVICE TO THE PROFESSION

Administrative duties

- Elected member of the LEM council (2020–2025)
- Member of the Recruiting Committee, IESEG (2018–2022)
- Member of the Recruiting Committee, Ecole Normale Supérieure (Paris), 2022
- Representative of the scientific community (elected), Dept. of Economics, SBS-EM, ULB, 2008–2009

Refereeing

Econometrica, American Economic Review, American Economic Journal: Microeconomics, Climatic Change, Economic Journal, Economics & Philosophy, Economics Letters, Energy Journal, Geneva Risk and Insurance Review, Insurance: Mathematics and Economics, Journal of Behavioral and Experimental Economics, Journal of the Association of Environmental and Resource Economists, Journal of Business Venturing, Journal of Economic Behavior and Organization, Journal of Economic Theory, Journal of Health Economics, Journal of Mathematical Economics, Journal of Risk and Insurance, Management Science, Mathematical Social Sciences, Perspectives on Science, Social Science & Medicine, Theory and Decision.

Evaluator of research proposals

2020-21 Evaluation panel, National Research Agency (ANR), panel Human-Environment Interaction

Various Expert advisor/reviewer for the European Research Council (ERC), ANR, Multidisciplinary Center for Infectious Diseases (MCID) Bern

Conferences organization

iRisk Workshop: “Decision-making under risk and uncertainty”, a conference in honor of Prof. Louis Eeckhoudt, Lille, July, 2022

iRisk Inspiring Conference: “Decision-making under uncertainty in practice”, Lille, July, 2022

Invited Session: “Uncertainty and Climate Change”, 69th Annual Meeting of the French Economic Association (AFSE), Lille, June, 2021

Thematic Session: “Deep Uncertainty, Rationality and Climate Change Economics” (joint with D. Heyen and P. Koundouri), 6th World Congress of Environmental and Resource Economists, Gothenburg, June 2018

Thematic Session: “Deep Uncertainty and Climate Change Economics” (joint with P. Koundouri), 23rd Annual Conference of the European Association of Environmental and Resource Economists, Athens, June 2017

INVITED SEMINARS AND CONFERENCE PRESENTATIONS

2022

Foundations of Utility and Risk Conference (FUR), Ghent University, Ghent, July 2022; iRisk Workshop Decision-making under risk and uncertainty, Lille, July 2022; University of St. Gallen, May 2022; RISLab Workshop, University Polytechnic Mohammed VI, Rabat, May 2022; University Paris-8, Mar. 2022; Paris School of Economics (PSE), Paris, Feb. 2022;

2021

CER-ETH Research Seminar, Zurich, Nov. 2021; Ghent University, Ghent, Oct. 2021; Behavioral Economics seminar Center for Environmental Economics (CEE-M), Montpellier, Oct. 2021; International Congress on Insurance: Mathematics and Economics, July 2021; D-TEA, Paris, June 2021; Lancaster University, Feb. 2021; FETS (French Experimental TalkS), online, Feb. 2021;

2020

Environmental Economics seminar, CEE-M, Montpellier, Nov. 2020 (online); Erasmus University, Rotterdam, Feb. 2020

2018

45th Annual Seminar of the European Group of Risk and Insurance Economists (EGRIE), Nuremberg, Sept. 2018; 6th World Congress of Environmental and Resource Economists (WCERE), Gothenburg, June, 2018; 31st International Congress of Actuaries (ICA), Berlin, June 2018; D-TEA, Paris, May 2018; Economics & Decision Sciences Seminar, HEC, Paris, Apr. 2018;

2017

Economics & Decision Sciences Seminar, HEC, Paris, Oct. 2017; 44th Annual Seminar of EGRIE, London, Sept. 2017; 32nd Annual Congress of the European Economic Association – 70th European Meeting of the Econometric Society, Lisbon, Aug. 2017; 23rd Annual Conference EAERE, Athens, June 2017; EM-Lyon, Lyon, March 2017;

2016

CEAR/MRIC Behavioral Insurance Workshop, Munich, Dec. 2016; 22nd Annual Conference EAERE, Zurich, June 2016 (accepted); Erasmus School of Economics, Behavioral Economics seminar, Rotterdam, March 2016; IESEG School of Management, Lille, March 2016; St Louis University, Brussels, March 2016; Joint IEFE-FEEM seminar, Bocconi University, Milan, Jan. 2016;

2015

8th Annual Meeting of the Integrated Assessment Modeling Consortium (IAMC), Potsdam, Nov. 2015; Workshop “Uncertainty and public decision”, Université Paris 8, Nov. 2015; 11th World Congress of the Econometric Society, Montreal, Aug. 2015; Our Common Future under Climate Change, International Scientific Conference, Paris, Jul. 2015 (accepted); 21st Annual Conference EAERE, Helsinki, June 2015; 34th edition of the International Energy Workshop (IEW), Abu Dhabi, June 2015 (accepted); 2nd Workshop “Equity and Risk in Integrated Assessment Models”, EquiRisk Project, Paris, May 2015; 3rd Annual Conference IAERE, Padova, Feb. 2015; Workshop “Uncertainty and public decision”, Université Paris X Nanterre, Jan. 2015; 3rd Convention of FEEM and CMCC fellows working on climate change and sustainable development economics, Venice, Nov. 2014

2014

41st Annual Seminar of EGRIE, St. Gallen, Sep. 2014; 29th Annual Congress of the European Economic Association – 68th European Meeting of the Econometric Society, Toulouse, Aug. 2014; Uncertainty in climate change modeling and policy, Expert Workshop of the FP7 ADVANCE project, Fondazione Eni Enrico Mattei, Milan, May 2014

2011-10

European Network for Training in Economics Research (ENTER) Jamboree – Tilburg University, Feb. 2011; Environmental and Natural Resources TSE Group Workshop – Toulouse School of Economics, Jan. 2011; ENTER Jamboree – Toulouse School of Economics, Feb. 2010

TEACHING, STUDENT’S SUPERVISION, THESIS COMMITTEES**Teaching**

Environmental Economics and Climate Change (Master), Dept. of Economics and Quantitative Methods – IESEG, 2020–...

Understanding Business Cycles for Strategic Decisions (Master), Dept. of Economics and Quantitative Methods – IESEG, 2020–2021.

Advanced Microeconomics (2nd year undergrad.), Dept. of Economics and Quantitative Methods – IESEG, 2017–2019.

Industrial Economics (2nd year undergrad.), Dept. of Economics and Quantitative Methods – IESEG, 2016 - 2017.

Macroeconomics Indicators and Policies (1st year undergrad.), Dept. of Economics and Quantitative Methods – IESEG, 2016–2020.

Introduction to Microeconomics (1st year undergrad.), Dept. of Economics – ULB, 2015–2016.

Earlier teaching

Teaching Assistant, Graduate Macroeconomics (Master 2, Ph.D), ECARES – ULB, 2008–2010.

Teaching Assistant, Mathcamp (Master, Ph.D), ECARES – ULB, 2009.

Teaching Assistant, Mathematics (2nd year undergrad.), Dept. of Economics – ULB, 2007–2008.

Teaching Assistant, Mathematics (1st year undergrad.), Dept. of Economics – ULB, 2007–2008.

Supervision

Postdocs

Ilke Aydogan, Vincent Théroude

Ph.D.

Philippe Colo (co-supervision)

Master theses (year)

Séverin Koszul (2022), Mathieu Laporte (2021), Charles Blondeau (2021), Rayan Elatmani (2021), Clément Limare (2020), Aymeric Bricout (2019, laureate of the ICOR Award for the Best IESEG Master thesis), Julien Begoc (2018), Jean-Baptiste Morard (2017), Alice Felicite Oyono Ndome (2017)

PhD Committees

Philippe Colo (PSE, 2021), Aysil Emirmahmutoglu (Erasmus University, 2020)

PERSONAL INFORMATION

Born: February 29, 1984 in Brussels, Belgium

Citizenship: Belgian

Two children, born in 2017 and 2019

Languages: French (native), English (fluent), Spanish & Dutch (used to be good...)

Last updated: February 8, 2023
