Professional Qualification

PhD in Public Policy, University of KwaZulu-Natal, Durban, South Africa;

Master of Science in Geography, Obafemi Awolowo University, Ile Ife, Nigeria;

Bachelor of Science in Geography, Obafemi Awolowo University, Ile Ife, Nigeria;

Employment

2019 – To Date

Assistant Director (Research) at the National Centre for Technology Management, Nigeria

September, 2022 – To date

Head, Technology Management Education and Training Department at the National Centre for Technology Management

23, October, 2019 to 22, October, 2021

Marie Sklodowska Curie Fellow at RFF-CMCC European Institute on Economics and the Environment (EIEE). Euro-Mediterranean Center on Climate Change, Milan, Italy (CMCC)

October 2017 – October, 2019

Head, Technology Management Education and Training Department at the National Centre for Technology Management

01/03/2016 – 30/06/2016

Visiting Scholar at the United Nations University Institute for Natural Resources in Africa, Accra, Ghana

01/02/2016 – 30/04/2016

Home-based Intern at the United Nations Development Programme on Climate Change Adaptation and Action Intelligent Platform projects.

01/03/2015 – 30/07/2015

PhD Visiting Scholar at Department of Business and Management, Aalborg University, Denmark.

01/04/2011 - 15/12/2011

Research Fellow, International Centre for Science and High Technology of the United Nations Industrial Development Organization AREA Science Park, Padriciano 99,, 34149 Trieste, Italy

03/10/2005 - 30/12/2005

Intern, Space Applications and Environmental Science Laboratory, Institute of Ecology and Environmental Studies Obafemi Awolowo University, 220005 Ile Ife, Nigeria

01/06/2005 - 30/08/2005

Statistician, Ultra Brains Institute of Information Technology, Training Institute Ede Road, 220005 Ile Ife (Nigeria)

02/06/2003 – 15/12/2004

Research Assistant, Adaptation for, Impact on, and Assessment of Climate

Change (AIACC) project, Department of Geography, Obafemi Awolowo University, Ile-Ife, Nigeria.

Research Focus

Low-carbon Innovation Development Pathways; Sustainable Technological Innovation Development; Climate Resilient Development; Climate Change Policy, Climate change adaptation and mitigation

Teaching and Supervision

Courses taught

Sustainability development

Technological Change and Innovation Management

Environmental Impact Assessments

Research Methodology in Science, Technology and Innovation Management

Statistical software programme instructor

Administrative and other activities

Head, Technology Management Education and Training, National Centre for Technology Management.

Chairman, The Project Management Committee, National Centre for Technology Management

Associate Editor, African Journal of Science, Technology and Innovation Development with Taylor and Francis, Routledge

Reviewer for Elsevier, Taylor & Francis and Routledge and Inderscience, European Commission, International Science Council, Global Development Network etc.

Fellowships and Awards

Marie Sklodowska Curie Fellow at RFF-CMCC European Institute on Economics and the Environment (EIEE). Euro-Mediterranean Center on Climate Change, Milan, Italy (CMCC)

Visiting Scholarship programme at the United Nations University Institute for Natural Resources in Africa, Accra, Ghana

STEPS Centre scholarship for Summer School on pathways to sustainability at the Institute of Development Studies, University of Sussex, Brighton, United Kingdom.

Internship programme at the United Nations Development Programme on Climate Change Adaptation and Action Intelligent Platform projects

Massachusetts Institute of Technology, Climate CoLab Fellow at the Department of Collective Intelligence, MIT, Boston, USA

PhD Sandwich Fellowship Programme at Department of Business and Management, Aalborg University, Denmark as PhD Visiting Scholar.

SPAEL Postgraduate Research Fellowship Award by the Space Application and Environmental Science Laboratory (SPAEL), Obafemi Awolowo University, Ile Ife, Nigeria.

Best Researcher of the Year (2010) Award by National Centre for Technology Management, Federal Ministry of Science and Technology, Nigeria.

International Centre for Science and High Technology of the United Nations Industrial Development Organization (ICS/UNIDO) Fellowship Award by ICS/UNIDO, Trieste, Italy.

Winner of the Massachusetts Institute of Technology, Department of Collective Intelligence (USA) Climate CoLab Contest (2011)

World Bank Science, Technology Education Post Basic (STEP-B) PhD Grant

Skills and Experience

- Statistical Package for Social Sciences (Predictive Analytics Software)
- ArcGIS (Geographical Information System Software)
- QPSMR (Marketing Research Statistical Package)

Research Grants

Ongoing: Development of Science, Technology and Innovation Indicators Project – 3rd Edition (2014 - 2016). A programme of the New Partnership for Africa's Development, office of Science and Technology (NEPAD OST) funded by the Federal Government of Nigeria: **Project Team Member; US\$42,000**

Ongoing: The role of STI in boosting Nigeria's agricultural productivity and food security: benefits of technology adoption and adaptation. funded by the Federal Government of Nigeria. **Project team member**

Completed: The design and impact of an apprenticeship-based entrepreneurship intervention in Nigeria. Grant from International Development Research Council, Canada. **Project team member**

Completed: External knowledge sourcing strategies for environmental innovation in the industrial sector of Nigeria (ECO-innovation and the Dynamics of External Knowledge Sourcing (ECO-DEKS). Grant from European Commission under the Horizon 2020 Innovation programme. **Principal Investigator**

Completed: Doing Research in Nigeria: Assessing Social Science Research Systems in a Global Perspective. Grant from International Development Research Council, Canada. **Project team member**

Completed: Technology Audit of Nigeria and Global Technology Trends of Possible Strategic Interest to the Nation. Funded by the Federal Government of Nigeria. **Project Team Member US\$84, 000**

Completed: Building Low Carbon Innovation Energy Systems in Africa (2014 - 2015). Research Grant won from the AfricaLics, Kenya and funded by Swedish International Development Agency (SIDA); **Project Co-principal Investigator; US\$35,000**

Completed: Assessment of Evidence Literacy Level of Policy Makers in the Utilisation of STI Indicators in Nigeria (2012-2013); Research Grant won from the AU-NEPAD Planning and Coordinating Agency (NPCA) funded by Swedish International Development Agency (SIDA); **Project Team Member; US\$20,000**

Completed: Development of Science, Technology and Innovation Indicators Project – 2nd Edition (2011 - 2013). A programme of the New Partnership for Africa's Development, office of Science and Technology (NEPAD OST) funded by Swedish International Development Agency (SIDA); **Project Team Member; US\$25,000**

Completed: Development of Science, Technology and Innovation Indicators Project -1st Edition (2008 - 2011); A programme of the New Partnership for Africa's Development, office of Science and Technology (NEPAD OST) funded by Federal Government of Nigeria with ₦37m (**US\$240,000**) supported by the Swedish International Development Agency (SIDA) **US\$50,000; Project Team Member**

Completed: An Impact Assessment of the Education Trust Fund's Micro-Science Kits Project (2008 - 2010); A consultancy project to NACETEM by the Education Trust Fund (ETF); **₦37m (US\$240,000); Project Team Member**

Presentation at the 14th GLOBELICS Conference 12th - 14th October, 2016 Bandung, Indonesia.

National Validation and Dissemination Workshops on Improving the Development Outcomes of Private-Public-Partnerships (PPPs) in Agriculture and the Environment at The United Nations University Institute for Natural Resources in Africa (UNU-INRA) in Accra, Ghana on 7th, April, 2016.

Fifth Conference on Climate Change and Development in Africa (CCDA-V) "Africa, Sustainable Development and Climate Change: prospects of Paris and beyond" October 28–30, 2015 Victoria Falls, Zimbabwe

Writeshop on Innovation and Development hosted at the Institute for Economic Research on Innovation (IERI), Tshwane University of Technology, Pretoria, South Africa from 24 and 28 August 2015

GLOBELICS PhD Academy, University of Tampere, Tampere, Finland, Denmark, 01- 15 June, 2015,

PhD Program in Innovation Management – Advanced at the Business Administration & Management Department, Copenhagen Business School, Denmark, May 11-13, 2015.

DOME PhD course: "Innovation and Entrepreneurship Theory", Roskilde University, Denmark, 20-24 April 2015.

AfricaLics PhD Academy, Moi University, Mombasa Campus, Kenya, March 15, 2015 – March, 30, 2015

7th Annual Conference of the Institute of Ecology and Environmental Studies, Obafemi Awolowo University, Ile-Ife, 12th June, 2014

A Two-day National Stakeholders' validation Meeting on the Second National Communication (SNC). Held at the Lapour Hotels, Plot 794 Okonjo Iweala Way, Abuja. Wednesday 11 to Thursday 12, December, 2013

Regional validation of synthesis on research and policy related to climate change adaptation in regions of sub-Saharan Africa. Held at the Radisson Blu Hotel, Dakar, Senegal on the 12th July, 2013.

Methodology workshop for the review of research and policy related to climate change adaptation in Africa; held at Nairobi, Kenya: January 30 & 31, 2013

Stakeholders' Sensitization workshop on Technological Entrepreneurial Attitude in Nigerian Tertiary Institutions, organized by National Centre for Technology Management, Ile Ife, Nigeria, 8th November, 2012.

International Conference on Evidence-Informed Policy Making, organized by National Centre for Technology Management, Ile Ife, Nigeria, 27-29th February 2012.

A Briefing on climate change organized by the Massachusetts Institute of Technology at the UN Headquarters and U.S. House of Representatives in New York and Washington DC. 23-26th, January, 2012.

Training Workshop on using GIS for Quality Infrastructure Mapping. Training workshop organised by the International Centre for Science and High Technology - United Nations Industrial Development Organisation. Praia, Cape Verde. 28th Nov. - 2nd Dec, 2011.

Joint ICTP-TWAS Workshop on Science Communication in Developing Countries: Bridging the Gap between Science, Policy and the General Public workshop. At the Abdul Salam International Centre for Theoretical Physics, Trieste, Italy, -17th to 21st of October, 2011

Conference on 'Uncovering Sustainable Development - CLEWS; Modelling Climate, Land-use, Energy and Water (CLEW) Interactions' by the Abdul Salam International Centre for Theoretical Physics, Trieste, Italy, 30th of May to 3rd of June - 2011

Workshop on Process simulation for a greener footprint and energy savings at industrial level organised by the International Centre for Science and High Technology - United Nations Industrial Development Organisation. Trieste, Italy, 26th -27th of May 2011.

Conference on the Role of e-Infrastructures for Climate Change Research organised by the International Centre for Theoretical Physics, at Leonardo da Vinci Building, Lobby. Trieste – Italy, 16 – 20 May 2011,

Biofuels and biobased chemicals. An opportunity for developing countries? Conference organised by the International Centre for Science and High Technology - United Nations Industrial Development Organisation. Trieste, Italy, 9th -11th of May 2011.

Expert Group Meeting on Instruments and Potential for the Use of Renewable Energies for Regional Development conference organised by the International Centre for Science and High Technology - United Nations Industrial Development Organisation. Trieste, Italy, 3rd - 5th of May 2011.

International Centre for Science and High Technology - United Nations Industrial Development Organisation meeting on Africa-Mexico cooperation programme on the geothermal area for productive uses. Trieste, Italy, 8th of April 2011.

Humboldt International Conference at Ladoke Akintola University of Technology, Ogbomoso, Nigeria with the theme "Building a Non-Export Based Economy for Nigeria: The Potential of Value-added Products from Agricultural Residue" Jan 11 – 14, 2010.

Workshop on Biomass Energy Modelling with GIS and Remote Sensing held at Makerere University, Kampala, Uganda in conjunction with AfricaGIS 2009 between 29th and 30th of October, 2009.

Joint ICTP/IAEA Workshop on Alternative Response Actions to Climate Change and Energy Options, ICTP, Trieste, Italy 5 - 9 October 2009, Giambiagi Lecture Hall.
